### A MESSAGE FROM THE PRINCIPAL

**I can't believe we are at the end of Week 6! As they say, time flies when you're having fun, and the term is certainly flying by.**

We have a little over 5 weeks left for lots of incredible opportunities for our students to engage with both within and outside the school.

As we make our way through the second half of the term, our teachers are working on assessing and reporting student progress and preparing to share this with parents and carers. Our reports are a celebration of our students' achievements and to make careful considerations for future learning.

### EVERY DAY COUNTS

We all want our students to get a great education, and the building blocks for a great education begin with students coming to school every day. There is no safe number of days for missing school—each day a student misses puts them behind, and can affect their educational outcomes.

There are always times when students need to miss school, particularly when they are unwell. It's important that they're only away when needed.

If your child is going to be absent from school, we kindly ask that you call us to advise your child's teacher, or put a note in the communication book in advance if you know they'll be away for a specific reason. The school phones are manned from 8am through to 4:30pm.

## Principal's Award

### Logan Fois

It has been fantastic to see Logan's progression with his readers this year. Logan proudly reads daily to his teachers and has been blending with greater ease each week. We are so impressed with Logan's persistence when decoding less familiar sounds and when practising his speedy sounds. Well done, Logan!

# HALLOWEEN DRESS UP DAY AT BSDS

# ROOM 20'S CLASS PET

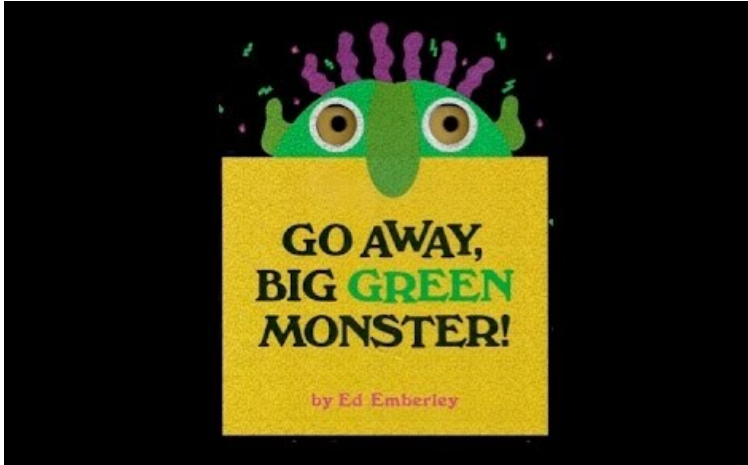

Room 20 students have been enjoying learning about and looking after our class pet - Sea Monkeys!

We have watched them grow from little dried eggs, into small brine shrimp. The students have loved feeding them and watching them swim around. They've even named some of them! It has been lots of fun.

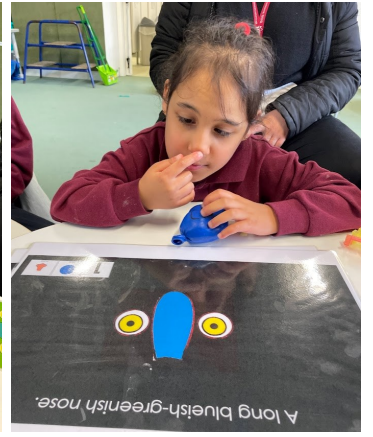

# GO AWAY, BIG GREEN MONSTER!

As part of our 'Let's Learn Together' Program, Rooms 7 and 8 celebrated Halloween by reading a spooky story. We loved constructing our own monster faces out of different materials as we turned each page. Nothing makes us happier than learning with our friends!

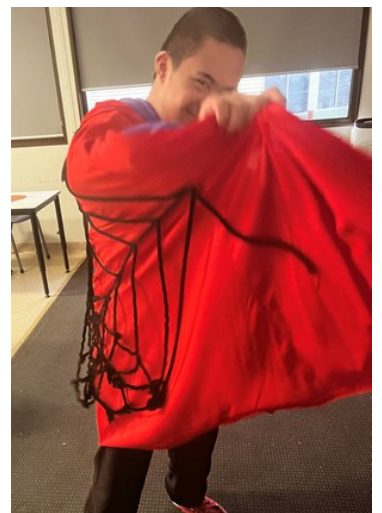

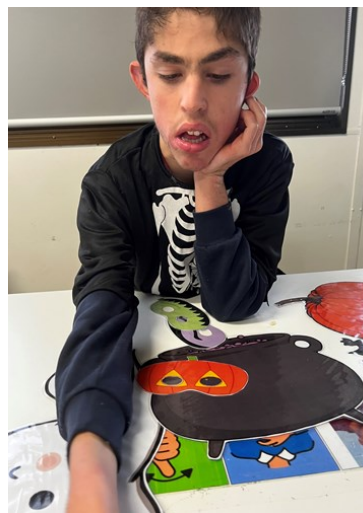

# HAPPY HALLOWEEN ROOM 10S!

In Room 10S, the students have had so much fun exploring the celebration of Halloween. We have all enjoyed painting and decorating ceramic pumpkins and dressing up in our favourite Halloween costumes!

# COOKING UP A STORM

Room 20S students are back again creating and making our school's canteen orders. As a class, they brainstormed a range of delicious recipes and chose to make vegetarian quesadillas. The students enjoyed preparing the ingredients by grating cheese and chopping capsicum, layering all of the ingredients onto a tortilla and adding it to the sandwich press. Well done, Room 20S!

# COOL COOKS

Room 14S have been enjoying making coconut chickpea curry during our Cool Cooks program. We began by exploring the different smells and tastes of the ingredients and have moved to matching objects from the visual recipe, following the procedural text and cooking the curry to enjoy!

# PERFORMING ARTS AT BSDS

## DRESS UPS

In Performing Arts this term we have been dressing up in fun hats and wigs. Dressing up is a great activity that encourages creativity thinking, promotes communication and imaginative play. Students are given options and choices when dressing up and have fun looking in the new mirrors in the music room.

## Colourful Semantics

### What is Colourful Semantics?

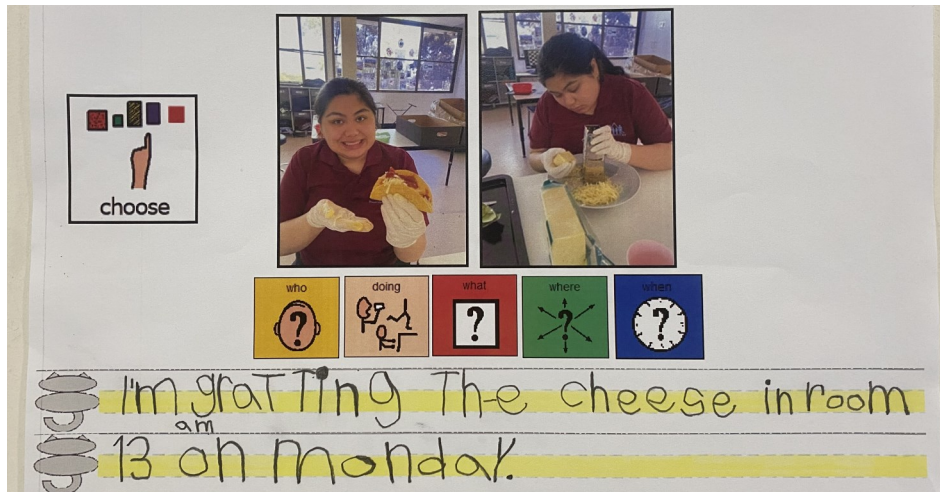

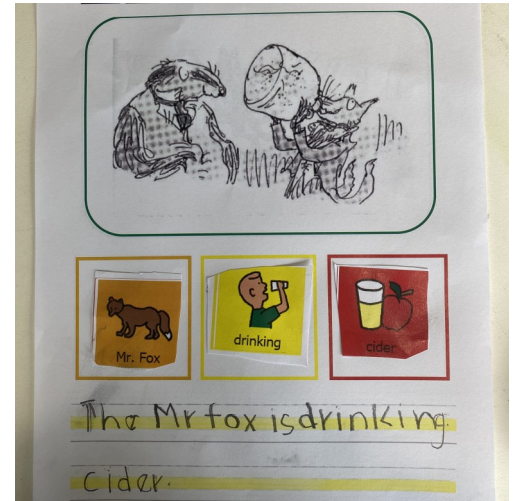

- It is a way of teaching children how to understand and build sentences.
- Sentences are divided into their thematic roles and are colour coded.
- Pictures are also used to help construct the sentences and they are also colour coded.
- The approach has 4 key colour coded stages:

Additional stages are gradually introduced.

### Why is Colourful Semantics used?

- Helps children to answer questions
- Encourages a wider vocabulary
- Develops use of nouns, verbs, prepositions and adjectives
- Helps children to order and sequence their language
- Helps children to build up meaningful, well-structured sentences
- Makes sentences longer
